

Become a Nurse

Plan now for Fall 2025

Join our Practical Nursing Program

Classes begin in September 2025

Students who graduate from our 11-month program are eligible to take the NCLEX exam to earn NJ State Licensure. Program registration begins in March 2025. Practical Nursing applicants are required to take the TEAS pre-entrance exam to gain a seat in the program. As of September 1, 2024, Cape May Technical School District does not accept Online TEAS testing results for admission into our Practical Nursing program. We accept TEAS results from any in-person testing center taken within two years of the program start date. We offer free TEAS preparation classes.
